

QUALITY, ENVIRONMENTAL AND OCCUPATIONAL HEALTH & SAFETY POLICY

Soltrim International (Pvt) Ltd implements and continually improves the effectiveness of its Quality, Environmental and Occupational Health & Safety management system which has been established to comply and satisfy ISO 9001:2015, ISO 14001:2015 and OHSAS 18001: 2007 Standard and applicable requirements.

We are committed to compliance with obligations requirements to enhance quality and environmental performance and maintaining and enhancing the health of our employees. We emphasize that creating a safer working environment for our employees is an essential factor in our operations.

Soltrim International (Pvt) Ltd truly believes in Quality and protection of Environment. The quality of fabrics is reassured by independent third party lab tests [Oeko Tex certified]. The accessories could be sourced only from reputed firms in concerned fields. This will add up finally with quality workman ship that results only in high quality product and throughout the operation we are committed to protection of the environment, including prevention of pollution and other specific commitments apply to the organization context. We are committed to providing employees with education, training, and required safety equipment.

Soltrim International (Pvt) Ltd's slogan is **More Than Just A Labels**. Roles of everyone in the organization is well defined however we believe quality control is still the responsibility of everyone. In order to avoid quality problems Soltrim International (Pvt) Ltd not sub letting the orders to subcontractors and ensuring the quality with stringent quality control process within the factory.

Soltrim International (Pvt) Ltd believes the total management control in each and every step of procurement, production, pressing, packing and forwarding.

Customer satisfaction and environmental sustainability is the ultimate goal of Soltrim International (Pvt) Ltd.
